Making it easier to do business
with Baxter

Baxter's eCommerce Solutions help enable savings, efficiencies, and accuracy

Global Healthcare Exchange

www.ghx.com

Baxter's partner in the healthcare supply chain is GHX and together our mission is to make healthcare more efficient.

GHX delivers software and services that enhance the business performance of healthcare companies around the globe. Using GHX, companies improve business processes, automate supply chain systems and work together in a collaborative electronic environment to solve more of healthcare's challenges.

GHX automates the procurement to payment cycle and hospitals that use GHX can realize savings from:

- Labor Reductions
- Elimination of Errors and Rework
- Utilization of Correct Prices
- Conversion from Paper to Electronic Invoices

eServices Center

www.ecomm.baxter.com/csse1

The eServices Center Website is a proprietary website which enables customers to:

- Place & Search Orders
- Track Shipments
- Search & Print Invoices
- View Account Summary
- Search Pricing & Product Availability
- Search Allocation Balances
- Run Product Usage Reports
- Backorder Inquiry
- Search & Browse Baxter's On-line Catalog

Special technology and fees are not required to use the site. Anyone with an Internet connection can access the eServices Center.

Hours of operation:
Monday–Friday
6 a.m.–8 p.m. CST

Electronic Data Interchange (EDI)

If your organization uses or plans to implement an enterprise resource planning (ERP) or materials management information system (MMIS), consider electronic data interchange—EDI.

EDI can improve the efficiencies of ERP and MMIS systems and automates transactions from “contract to cash.” The following are the EDI transactions we currently support:

- Purchase Order (850)/PO Acknowledgment (855)
- Invoice (810) & Payment (820)
- Advanced Ship Notice (856)
- Price & Sales Catalog (832)
- Product Transfer Adjustment (844)
- Price Authorization Acknowledgement (845)
- Product Transfer & Resale Report (867)
- Product Transfer Account Adjustment (849)
- Functional Acknowledgement (997)

US Baxter Product Catalog

www.ecomm.baxter.com/ecatalog

U.S. Product Catalog will enable users to obtain information regarding Baxter products. This information includes:

- Product Description
- Baxter Product Code
- NDC UPN & GTIN Number
- Unit of Measure
- Pack Factor
- List Price
- Reimbursement Information
- Product Pictures
